INDUSTRY ASSOCIATES' PACKAGE

The Australian Apartment Advocacy (AAA) is the voice for 2.5 million Australians who choose to live in or own an apartment. Founded by Director Samantha Reece, AAA is known as the Apartment Ombudsmen and provides advice and education to over 30,000 members on its database as well as the general apartment community. AAA also acts as a mediator between apartment owners and strata managers, developers and builders to resolve difficult or outstanding matters.

AAA actively lobbies Government for greater Consumer Protection measures and is instrumental in changing the way that apartments are constructed and managed.

This package is for businesses who are associated with the apartment sector in a support role. This is the ideal way to interact directly with the development sector and also apartment owners.
