APARTMENT OWNER PACKAGE

The Australian Apartment Advocacy (AAA) is the voice for 2.5 million Australians who choose to live in or own an apartment. Founded by Director Samantha Reece, AAA is known as the Apartment Ombudsmen and provides advice and education to over 25,000 members on its database as well as the general apartment community. AAA also acts as a mediator between apartment owners and strata managers, developers and builders to resolve difficult or outstanding matters.

AAA actively lobbies Government for greater Consumer Protection measures and is instrumental in changing the way that apartments are constructed and managed.

After operating for five years, AAA is now offering subscription packages, providing even more benefit to its members.

WHAT YOU RECEIVE:

◆ **Attendance to all our zoom events FOC**

AAA offers a diverse range of informative topics for current and prospective apartment owners who wish to stay up to date with the latest trends in apartment living as well as contentious topics such as defects and handling disputes with your builder.

AAA provides a minimum of 12 zoom events per annum and these are recorded. So, if you happen to miss the event, you can catch up in your leisure time.

◆ **A complimentary copy of the Apartment Buyer and Owner Education kit**

AAA wrote the first dedicated education kit in Australia for Apartment Buyers and Owners. This outlines topics such as defects, how your rights are protected and information about levies and insurance. It is the A-Z guide for apartment living.

◆ **One complimentary initial consultation**
(for annual subscribers only)

Sometimes you may be facing a disagreement with a fellow neighbour, your strata manager, the developer or builder. AAA members can call and discuss this issue, with the focus on initiatives to assist in resolving this matter.
